In the event that they shall exercise any such right or privilege, such lessee or mortgagee shall be subrogated to the rights of its lessor or assignor to assert a lien against the other Party's Structure under Section 7.02. Notwithstanding the foregoing, neither Party shall be bound to recognize any such assignment or other transfer, or the exercise or accrual of any rights pursuant to such assignment or other transfer, until such Party is given written notice of such assignment or other transfer pursuant to Section 9.01.

Section 10.02 Charge

No Party (the "**Chargor**") to this Agreement may charge, mortgage or create a security interest in its interest in the Lands or any part thereof ("**Security**") in favour of another person (the "**Chargee**") without the Chargee first obtaining a covenant from the Chargee substantially in the form attached hereto as Schedule "G" (the "**Chargee Agreement**") addressed to the other Party pursuant to which the Chargee agrees to be bound by and to assume or to cause its transferee to be bound by and assume all of the burdens and obligations of the Transferor contained in this Agreement on any enforcement of its Security, including the obligation to obtain a Chargee Agreement from any assignee of the Chargee.

Section 10.03 Release

If either Party transfers its interest in the Lands to an Assignee, effective upon the transfer, the Assignee will become the successor in title to the Assignor and will thereafter be subject to the obligations of the Assignor pursuant to this Agreement with respect to the interest so transferred. Upon any such transfer and compliance with Section 9.01, the Assignor will be released from any obligations under this Agreement arising after the transfer.
